

A Year of Networking in Maternity Services

Improving maternity services through collaborative working

This is the second event in this series to be held by the **South West London Maternity Network**, inviting colleagues and members of the public to join us to learn more about what the Network has been involved in and what is happening locally. Guest speakers have been invited to come share clinical best practice, and sessions outlining user involvement in the Network as well bereavement care have been included in the programme.

For further information or to register for this event contact Kate Anderson (on 0203 668 1247 or kate.anderson@swlondon.nhs.uk). Please note that there are only 100 seats available.
