| | |
|--|--|
| Title of Document: Exploring an option on moving towards delegated commissioning | Purpose of Report: Information and report back in preparation for September's Governing Body meeting |
| Report Author: Ginny Morley | Lead Director: Adam Doyle |
| Contact details: Kasia.Gaj@swlondon.nhs.uk | |
| Executive Summary: The attached document explains the process of moving towards delegated commissioning of primary care for March 2016. The deadline for submission to NHS England is Friday 2 October 2015 however Merton CCG is asked to explore the option to move to individual CCG delegated commissioning in preparation for a discussion due to take place at September Governing Body meeting. Although we know the submission date, as yet NHS England is to release detail on the processes required, we expect this will be available as of July 2015. | |
| Key sections for particular note (paragraph/page), areas of concern etc: Issues to consider - Delegated commissioning –page 5 Timeline and next steps for SWL CCGs –page 6 | |
| Recommendation(s): The Governing Body are asked to: <ul style="list-style-type: none">• consider the points set out in this paper and the option to move to individual CCG delegated commissioning.• inform SWL Collaborative Commissioning the outcome of your discussion in July, so that the implications for the SWL Joint Committee for Primary Care Co-Commissioning can be discussed by all Chief Officers and Chairs. | |
| Committees which have previously discussed/agreed the report: none | |

| |
