<b>Summary of purpose and scope of report</b>
NHS England and Kingston Clinical Commissioning Group are seeking approval from the Joint Committee to proceed with the recommendation outlined in the paper to disperse the registered list at Tudor Drive Surgery upon contract termination on the 31 December 2015.
<b>RECOMMENDATIONS: The Joint Committee are asked to approve a dispersal of the practice registered list, as outlined the paper.</b>

<b>Quality &amp; Safety/ Patient Engagement/ Impact on patient services:</b>
Impact on patient services

<b>Finance, resources and QIPP</b>
Financial redistribution; associated costs if re-procurement sought

<b>Equality / Human Rights / Privacy impact analysis</b>

<b>Risk</b>	<b>Mitigating actions</b>
Risk of patients not re-registering	a) NHS England will write to all registered patients, and support practice, with information and advice on how and where to register with a new GP.  b) NHS England will work with the Tudor Drive Surgery to identify and support the

	registration of any vulnerable or at risk patients. These patients will be directly contacted by the practice and advised of the changes and how to register with another GP.
