Summary of purpose and scope of report
NHS England and Sutton Clinical Commissioning Group are seeking approval from the Joint Committee to proceed with the recommendation outlined in the paper to disperse the registered list at Wandle Valley Health Centre upon contract termination on the 31 December 2015.
RECOMMENDATIONS: The Joint Committee are asked to approve a dispersal of the practice registered list, as outlined in the paper.

Quality & Safety/ Patient Engagement/ Impact on patient services:
Impact on patient services

Finance, resources and QIPP
Financial redistribution; associated costs if re-procurement sought

Equality / Human Rights / Privacy impact analysis

Risk	Mitigating actions
Risk of patients not re-registering	a) NHS England will write to all registered patients, and support practice, with information and advice on how and where to register with a new GP. b) NHS England will work with the Wandle

		Valley Health Centre practice to identify and support the registration of any vulnerable or at risk patients. These patients will be directly contacted by the practice and advised of the changes and how to register with another GP.
