Summary of purpose and scope of report

This paper gives an overview of the primary care contract action taken under the MOU by NHS England since the last Joint Committee was held on 4 February 2016.

The report details the actioned contractual changes in South West London area. NHS England has been working with CCG primary care leads and local stakeholders on these decisions were required.

NHS England is working with local stakeholders to improve local primary medical healthcare provision, with a review of contracts offered to providers to provide a single consistent contract model, and focus resources effectively.

The Joint Committee are asked to note the contractual actions taken by NHS England between 21 January 2016 and 26 February 2016.
