

‘JUST’ THE FLU?

Some people with a learning disability can get very ill if they get the flu. The flu jab is the best protection for you against the flu and is **FREE** if you have a learning disability. It’s also **FREE** for those that provide care or support to you. We have measures in place to keep you safe when you have your flu jab.

A flu jab clinic is taking place:

On:

At:

To book your **FREE** jab at the clinic, get in touch by:
